

## VISIONDISPLAY

### VISIONAIR<sup>1</sup> MOVABLE STAND

The VisionDisplay and VisionDisplay Low are movable stands designed for the VisionAir<sup>1</sup>.

The VisionDisplay and VisionDisplay Low stands are utilised with wheels to easily move the VisionAir<sup>1</sup> around.

#### APPLICATIONS

The use of the **VisionDisplay** and **VisionDisplay Low** is recommended in the following situations:

- Creating a freestanding unit, no wall or ceiling mounting necessary.
- It allows you to easily position the VisionAir<sup>1</sup> where needed.

The use of the **VisionDisplay Low** is additionally recommended in the following situations:

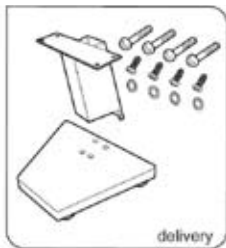

- Close to the floor to extract "heavy" particles, especially designed for use in dental practises.
